- f. Decisions are final and binding and not subject to appeal.
- g. Refunded fees for protests will be at the discretion of the committee.

Section 9 – Officials

- a. It is recognized that there is currently a critical shortage of certified officials in Ontario and in Canada. As such, games may proceed with fewer than the ideal number of on-ice officials. Some games normally officiated by 3 officials will be officiated by 2 officials. At certain levels, a 1 official system may be utilized with prior OWHA approval. At all times, associations and coaches are to be in control of themselves and their teams and support fair play for all involved.
- b. It is the responsibility of every association, team, and participant to always treat officials with respect. If there are concerns, there is a process to address these concerns after the completion of the game.
- c. Officials must be currently certified and provide their ref number or certification number along with their name to the timekeeper so that it can be entered into the Game sheet App.
- d. In U15 AA, U15 A, U18 AA, U18 A, U18 BB, U22 A, a three-official system is desirable. In all other divisions, a two-referee system is desirable. Failure to comply (schedule the appropriate number of officials) may result in a fine of \$100 against the offending team.
- e. A game may proceed with one official less than the number required provided that the official(s) and both teams agree before the game commences. Once started the game may not be stopped or protested unless an injury occurs to the referee that prevents the official from completing the game. If the game does not proceed it is considered un-played and must be rescheduled within seven (7) days. A single on-ice official may not officiate a scheduled three-official game without prior approval from the OWHA. Any game officiated in a manner that is not compliant with this section will be considered not played and must be rescheduled within seven (7) days and will result in a fine of \$200 against each team; in addition, the coach of each team will be assessed a suspension.
- f. All games will use the fast face-off protocol. The puck shall be put into play at the indicated start time of the game regardless of whether both teams are lined up in face off position.
- g. Officials are to be at ice level at game time and are to order the clock to start for three (3) minutes warm up period as soon as both nets are pegged and available for the teams to begin

their warmup. When two minutes have elapsed, a game official will blow the whistle to let the teams know they have one minute to get to their benches and get their starting line up to center ice. If teams fail to be ready a delay of game penalty is to be assessed.

- h. OWHA highly recommends games be officiated by OWHA on-ice officials.

Section 10 – Cancellation and Rescheduling Rules

- a. After scheduling day(s), teams will be allowed a period of three (3) calendar days to change times and/or locations of games on the originally submitted schedule, after which time the team's schedule will be marked Final and entered the League's on-line game system. Any changes made during the 3-day grace period must be made known to the team's opponent as well as the OWHA. After a team's regular season schedule is marked final, each team will be allowed to rearrange a maximum of three (3) games during the season.
- b. Cancellation of a regular season, playoff (if conducted) game by a team may be done without cancellation penalty up to two weeks (14 days) prior to the day a game is scheduled. Any cancelled game must be rescheduled as provided below.
- c. Ice costs for a game cancelled less than two weeks before the game day becomes the responsibility of the team which gives notice of cancellation unless the ice is used by the non-cancelling team, or some other team. This does not include weather related cancellations.
- d. The OWHA reserves the right to issue an additional \$500.00 fine, payable to the OWHA, to any team who either fails to show for a scheduled league game without just cause; cancels a scheduled league game within twenty-four (24) hours of its playing time without just cause; or refuses to reschedule a cancelled game. In addition, the OWHA shall have the right to suspend all or any member of the team staff of the offending team for up to one (1) year and to refuse the admission of teams from the offending association for the next season.
- e. If a game must be cancelled because one or both teams cannot travel due to inclement weather or as a result of a health-related issue. The following policy is in effect:
